We're delighted to officially welcome you to our team as a **AI Engineer Intern**. We're confident that your talent and enthusiasm will add real value here, and we're excited to see the energy and fresh perspective you'll bring to our projects.

Your internship is set to begin on **1st Day of July 2026**, and we hope you're as ready as we are to start this journey together.

Few Important Details:

Remuneration: You will be paid a monthly remuneration of **INR. 15000/- (Rupees Fifteen Thousand) per month** for six months. Applicable Professional Tax deductions will apply.

Payment: Stipends are credited on the 7th of each month. Any out-of-pocket expenses (if any) can be reimbursed with your stipend, provided that receipts are submitted at least three days before the due date.

Office Timings: Our work culture is built around dedication. We operate from 9:30 a.m. to 6:30 p.m. on Mondays and 10:00 a.m. to 6:30 p.m. from Tuesday to Saturday. However, we recognize that creativity doesn't always stick to a schedule, and you may be required to work beyond these hours or on weekends depending on project demands.
